3rd Annual

Bob Pierce Memorial Training Event & Air show

Saturday, August 28th, 2010

This event is your opportunity to learn how to fly RC airplanes! We will be providing everything you need to be introduced to the hobby of Model Aviation. This includes computersimulator time, one on one instruction, and actual air time with one of our club training planes and flight instructor. Gyro Hobbies will be on hand to help “ease” your investment into the hobby with great deals and deep discounts.

Planned Activities

- Pancake Breakfast
- Flight Demonstrations
- Dedicated Training on Club Trainers
 - Raffle
 - Lunch

Bob Pierce was one of the founders of the Trabuco Flyers when our club was organized in the 90s. He immediately became one of the key volunteers who developed the facility and membership.

He was the membership director and a board member for most of the club’s existence. Bob has assisted the club in everything from welding and electrical to hooking up water supplies. He also donated our welding machine, 1/3 of our Tractor/ Mower, and countless hours.

Bob Pierce helped make the Trabuco Flyers a first class flying club. Bob brought a big smile and a great attitude to the club every weekend. Sadly Bob passed away this year in a tragic accident. Bob will
